KERALA FLOOD DISASTER RELIEF

Countless people of Kerala are left with no homes or livelihoods in the wake of torrential heavy rains and one of the worst flooding to hit these areas in the last 100 years. Preliminary reports indicate that the destruction is widespread and continuing. The poor are the most disproportionately affected during calamities of this nature and we have a responsibility to come to their aid. Let us come together to lend them a helping hand in this time of dire need.

The impact is huge and the need is urgent. Please join our Temple in helping the relief efforts. Please Donate Generously .
